Wonderful Curative Effects. Vinegar Bitters are not a vile Faucy Drink, Made of Poor Rum, Whiskey, Proof Spirits and Refuse Liquors, docored, spiced and sweetened to please the taste, called " Tonics," " Appetizers," " Restorers, ' &c., that lead the tippler on to drupkenness and ruin, but are a true Medicine, made from the Native Roots and Herbs of California, free from all Alcoholic Stimulants. They are the GREAT BLOOD PURIFIER and A LIFE GIVING PRINCIPLE, a perfect Renovator and Invigorator of the System, carrying off all poisonous matter and restoring the blood to a healthy condition. No person can take these Bitters according to directions and remain long unwell, provided their bones are not destroyed by mineral poison or other means, and the vital

organs wasted beyond the point of repair. They are a Gentle Purgative as well as a Tonic, possessing, also, the peculiar merit of acting as a powerful agent in relieving Congesion or Inflammation of the Liver, and of all the Visceral Organs. FOR FEMALE COMPLAINTS, whether

in young or old, married or single, at the dawn of womanhood or at the turn of life, these Tonic Bitters have no equal. For Inflammatory and Chronic Rhenmatism and Gout, Dyspepsia or Indigestion, Bilions, Remittent and

letermittent Fevers, Diseases of the Blood, Liver, Kidneys and Bladder, these Bitters have been most successful. Such Disenses are caused by Vitinted Blood. which is generally produced by derangement of the Digestive Organs. DYSPEPSIA OR INDIGESTION. Headache, Pain in the Shoulders, Coughs, Tightness of the Chest, Dizziness, Sour Eructations of the Stomach, Bad Taste in the Month, Bilions

Attacks, Palpitation of the Heart, Inflammation of the Lungs, Pain in the regions of the Kidneys, and a hundred other painful symptoms are the offsprings of Dyspepsia. They invigorate the Stomach and stimulate the torpid Liver and Bowels, which render them of unequalled efficacy in cleansing the blood of all im-

purities, and imparting new life and vigor to the

whole system FOR SKIN DISEASES, Eruptions, Tetter, Salt Rheum, Blotches, Spots, Pimples, Pustules, Boils, Carbuncles, Ring-Worms, Sca'd Head, Sore Eyes, Erysipelas, Itch, Scurfs, Discolorations of the Skin, Humors and Diseases of the Skin, of what-ever name or nature, are literally dug up and car-ried out of the system in a short time by the use of these Bitters. One bottle in such cases will con-vince the most incredulous of their curative effect. Cleanse the Vitiated Blood whenever you find its impurities bursting through the skin in Pimples, ins or sores; cleanse it when you find it obstructed and sluggish in the veins; cleanse it when it is foul, and your feelings will tell you when. Keep the blood pure, and the health of the system will follow.

The demand for both speulation and Foreign shipment has been good, and the bulk of the week's business has been bought for shipment. In April, 1868, as also in the same month in 1867, prices in Wilmington were about the same as now; in 1868 (April) there was no stock here at that time, and the highest figures were reached, and it seems quite certain that there will be very little more this year .- | find very slow sale at 30 to 32 cents per lb.
